Description

Crash Course believes that high quality educational videos should be available to everyone for free. The Crash Course team has produced more than 15 courses to date, and these videos accompany high school and college level classes ranging from the humanities to the sciences. Crash Course transforms the traditional textbook model by presenting information in a fast-paced format, enhancing the learning experience. Courses include, but are not limited to the following:

• Artificial Intelligence

• Computer Science

• Media Literacy

• Navigating Digital Information

• Study Skills

• History (US & World)

IS CRASH COURSE FREE? Yes.
