Description

Readdle's Calendars app allows users to easily manage events both online and offline and across multiple connected devices. Readdle's Calendar app's unique interface allows users to move events simply with Drag & Drop, navigate quickly between dates, change event time and reminders rapidly with custom keyboards or by asking Siri, iOS virtual assistant. Readdle's Calendar app features include:

- Color coded events and calendars

- Hide calendars

- Share calendars with others

- Invite people to events

- Video call integration

- Use of Apple or Google Maps

Download Readdle's Calendar app for [iOS](#) devices.

IS READDLE'S CALENDARS APP FREE? Yes.

WHO DOES THIS APP AIM TO SERVE? Busy people who prefer a more visual approach to managing schedules/events.
